

CALL FOR PAPERS

2019 Renewable Cities Australia Conference

Submission Guidelines

1. Ensure all information submitted is spelled correctly. If your abstract is selected for presentation, information supplied, including author names, biographies, the abstract title and the abstract itself, will be published on the website.
2. Abstracts should be written in English, be completely original, not exceed 500 words and cover one of the topics outlined in the call for papers page on our website. Also outlined below.
3. The abstract should provide an accurate summary of the contents and conclusions of the paper.
4. Sales focused and overtly commercial abstracts must be avoided and will not be selected for presentation.
5. Abstracts can only be submitted via the Renewable Cities Australia Conference website.
6. The Conference Program Manager will evaluate all abstracts for inclusion in the program. When submitting your abstract you should include the following:
 - Title/Topic of presentation
 - Author(s) and affiliations
 - Overview of the presentation
 - Presenter's name
 - Presenter's email address and contact numbers
 - Short biography of the presenting author(s)
7. Potential presenters should note that all costs to attend the Conference must be met from their own resources.
8. At least one author of the accepted abstract is expected to attend and present at the Conference.
9. All abstracts will be reviewed by the Conference Program Manager who reserves the right to reject any abstract.
